

I am Magda

I am a **UX/UI designer** who can also **<code>** and interact efficiently and who utilizes her affection for all things visual, functional and interaction-related.

[linkedin.com/in/magdalena-wojtakowska/](https://www.linkedin.com/in/magdalena-wojtakowska/)
magdalena.s.wojtakowska@gmail.com
+45 9185 9682
My languages are English [fluent], Polish [native], Danish [A1] in progress, JavaScript & Music

SKILLS / TOOLS:

SKILLS: user research, sitemapping, wireframing, moodboards, UI design, interactive prototyping, testing

TOOLS: Figma, Photoshop, Whimsical, Canva, MURAL, Miro, crayons, pen and paper

UX/UI
+ GRAPHIC
DESIGN

FRONTEND SKILLS: HTML5, CSS3, JavaScript, React.js
BACKEND SKILLS: Databases (MySQL), Node.js

TOOLS: GitHub, Visual Studio Code

CODING

JEWELLERY SKILLS: DESIGN, TECHNICAL PROTOTYPING, silver- and goldsmithing, wax sculpting, precious metal techniques, stone-setting. Specialization: unique handmade statement rings; mixed media techniques.

PHOTO SKILLS: technology of developing, processing, digital image manipulation, photo sessions

JEWELLERY
+ PHOTO
DESIGN

INTERACTION SKILLS: customer service (empathy, diplomacy, prioritising, decent stress management, multicultural work environment sensitivity)

TEACHING SKILLS: English as a second language

ENGLISH COURSE CURRICULUM DESIGN, presenting

15+ years as a TEACHER OF ENGLISH who DESIGNS COURSES based on students' individual needs for optimal learner experience (yes, LX!) and results.
LXD is just a version of UXD which requires the same amount of empathy and user- / learner-centered thinking.
Poland: state/private schools and my language studio est. 2010,
Scotland: ESOL tutor for the City of Edinburgh Council,
Denmark: volunteering as a teacher of English for my coding school.

INTERACTION
+ TEACHING

EXPERIENCE:

To find out what I do and how I think, see my [portfolio](#)

https://design_code_interact/

2019 is when I started my coding adventures. I'm more on the aesthetic side so FRONTEND DEVELOPMENT is my natural preference.

My Github: <https://github.com/mag-da-lenka>

Examples of apps (non-UX/UI): see [portfolio](#)

kraftige-sammen.com : a collaboration [hackathon](#) app for seniors to facilitate help and contact with peers while self-isolating during lockdown.
Github: [kraftige_sammen](https://github.com/kraftige_sammen)

DESIGNER / PRODUCT MANAGER at my jewellery studio est. 2015, in charge of transforming the customer's idea through my creative additions to reach the aesthetic goal while ensuring it is technically feasible.
Examples of my designs: see [portfolio](#)

PHOTO TECHNICIAN, GRAPHIC DESIGNER and photographer at various studios in Edinburgh 2005-2007 and London Soho 2017-18

EDUCATION:

UX and graphic design

[Copenhagen School of Design and Technology](#),
10 ETCS, 2021

Fullstack web development

[Hack Your Future Copenhagen](#),
2021

Jewellery design and production

certified by [The Association of Pomeranian Craftsmen](#) after the official state examination, Gdansk, Poland, 2010

British literature and teaching English as a second language

[University of Gdańsk](#), 2005
